## Product Announcement Barber S2-86™ Radial Adapter

March 2007

### Now You Have a Choice!

The **Barber S2-86™** Radial Adapter is designed to the same high standards as our decades long lasting Frame Brace shear pad adapter, and is sure to provide the same kind of trouble-free service. This means, the **Barber S2-86™** Radial Adapter is ready to deliver the best semi-radial steering performance, and the highest level of durability and reliability possible in a pad-adapter.

Introducing the **Barber S2-86™** Radial Adapter, the all new pad-adapter designed to meet the needs of all of today's AAR S-286 cars. It is M-976 Approved for use in S-286 service on all S-2-HD, and S-2-HD-9C trucks, and more. The **Barber S2-86™** Radial Adapter also fits most other AAR standard 100 / 110 ton trucks in service today. Now you have a choice!

Take advantage of the new choice in S-286 roller bearing adapters, and choose the **Barber S2-86™** Radial Adapter for your next car build. Ask your SCT Sales Manager about the **Barber S2-86™** Radial Adapter, or call 847-692-6050 for a price quote today.
