### Barber S-2-E in Box Car Service

December 2007

The S-2-E Trucks with Split Wedges and Shear Pads on this box car have been in service with Ferromex of Mexico for over **four years**.

The patented **Split Wedges** are in excellent condition with an estimated **20+ years** of life remaining.

The **Shear Pads** have endured **searing desert heat** and demanding service with no noticeable change.

The bearing **adapters**, thrust **lugs**, and wear **plates** also show an estimated **20+ years** of life remaining.

The S-2-E Barber Stabilized Truck is also approved for use with the **Barber S2-86™** Radial Adapter. Contact your SCT Sales Manager today, and specify S-2-E trucks for your next new car build.
